Another Phase of the Fish Question, The Committee on Public Property of the Cry Council met at the Auditor's office this after noon to consider another phase of the fish question, called to their attention by Prof. Bairt of the Smitheenian Institute, is which the intro-duction of any terrioto the Potomen from the gas house is strongly deprecated. The Professor is his letter says: "A part of the reduction in the supply of shad in the Potemae is due to the introduction of gas-tar loto the river; it traduces sickness among the young fish, from which most of them die." The question being an important one, the committee will recommend some action in regard to the matter on the part of the council.

LITERARY .- The Mitchell Lycoum, an organ ization of colored people, celebrated its third auniversary at its rooms, on Alfred street, last night. After an opening speech by the Vice President of the association, A. W. Hair's, the remainder of the evening was spent to listening to music, declamations, essays and elections by the members of the Lycaum. The soom was filed, and all seemed to cripy the entertainment. This association is an evidence I what the colored people can accomplish by a determination to mentally and merally improve themselves, and such organizations should receive the encouragement of all.

NOT CORRECT,—The report that a Mrs. Clarke, residing on "Nailer's Hill," in the southwestern section of the city, had died from starvation on Eunday last, was investigated today and found according to the statements of propie living in the neighborhood, not to be correct. Financial.

NEW YORK, Feb. 15.—The Post's financial article to-day says: The Stock Exchange markets are generally higher than at the close yesterday. If S bonds, however, are irregular, the 4s being \(\frac{1}{2} \) lower and the 5s \(\frac{1}{2} \) higher. R. R. bonds are up \(\frac{1}{2} \) if, the latter Kan & Texas 2ds; Texas & Pacific land grant incomes are up to 85. In exception to the general list Denver & Rio Grande firsts consols are down 1 per cent, and Houston Texas firsts I per cent to 1101. In the stock market the special features to-day are Iron Mountain, which is up to 623; Texas & Pacific to 167 and Louis & Nash to 92. The coal stocks are less active of late, but firm. The granger and trunk line stocks are somewhat lower than yes-terday. The telegraph stocks are dull and about steady. In the morey market five per cent con-tinues to be the ruling rate.

TO-DAY'S TELEGRAPH NEWS

CONGRESSIONAL. WASHINGTON, D. C., Feb. 14, 1881.

Mr. Her fird presented the joint resolution of the West Virginia Legislature asking for a aw to regulate inter State railway traffis. Re

erred to the Committee on Railroads. Bills and joint resolutions were reported back from committees as follows, and placed on the

Calendar: By Mr. Bayard, from the Finance Com mitte: favorably; to admit free of duty a mon-

ument to Gen, Washington. By Mr. Lugan, from the Mi itary Committee favorobly; with an amendment to place Thes. C. Crittenden upon the retired list, with the rack and pay of a brigadier general.

Five detailed reports from the Military Committe upon private relief bills, prepared by Mr. Cameron, of Pa., were presented by Moesre. Burnside and Cockrell.

Mr. Harris introduced a bill to authorize the Commissioners of the District of Columbia to appoint three hundred additional privates on the Metropolitan police force for fifteen days from February 20.

Bills were introduced by Mr. Grover proposing a constitutional amendment in relation to the manufacture and sale of intexicating iquors, and by Mr. Blaine to prohibit the manufacture, importation and sale of intexicating liquors as a beverage in the Dis'riot of Columbia. Mr. Blain said of the latter, he itroduced it at the request of the National Temperance Seciety, and requested its reference to the Judiciary Committee. So ordered. On motion of Mr. Bayard the panding crier

was postponed and the Senate took up the

House funding bill. Mr. Bayard spoke to an attentive audience on the floor and in the galleries in explanation of the amendments of the Senate Finance Committee. Upon the main features of the bill he advecated the 32 per cent, rate and a 5 20 bond as a medification of the two propositions of the Secretary of the Tressary and the House of Representatives, and opposed the compuisory feature of the provision of the House in the 5:h section compelling the banks to exchange bonds of a higher rate for those of a lesser rate. HOUSE OF REPRESENTATIVES.

When the House met this morning, Mr. Blackburn, of Ky., cecupied the chair owing to the necessary absence of the Speaker. The dask recently occupied by Mr. Fernando Wood, of New York, was draped in black and decorated with a handsome bask at of flowers.

Mr. Carlisle, of Ky., from the Committee on Ways and Means, reperted back a bill in relation to duties on manufactures of iron, &c. Placed on the House calendar.

Mr. Calkins, of Ind., from the Committee on Elections, submitted the upanimous report of that committee upon the contested election case orate their houses and places of business, and to of McCabe vs Orth from the 9th congressional district of Indiana, confirming the right of Orth to the seat which he now occupies. The report was argeed to. The morning hour having been dispensed

with the Speaker proceeded to call the States in order to enable one member from each State to ask consent for the passage of any bill. Roquests were made as follows: By Mr. Blake, of New Jersey : To regulate

the collection of taxes on weiss beer. Mr. Dibrell, of Ten., effered an amendment. providing that from and after the first of July. the tex on brandy distilled from fruit thall be fifty cents per gallon.

To this Mr. Townshend, of Itl., offered amendment providing that the duty on salt shall be reduced to one cent per ton. Mr. Cooger, of Mich., raised the point of order that the chair must, ucder the rule, call

for five of jections to these amendments.

The Speaker overruled the point of order and appeal on the table, but Mr. Conger claimed Just opened an elegant stock of entirely ne and the Speaker as to his right to debate the

appeal. The confusion and noise in the chamber was very great, and various parliamentary questions were propounded to the Chair, but with so little offeet that it was suggested by Mr. Atkins, of Yen, that this whole matter was nonsonse, and that the House should lay it aside and proosed to the consideration of the River and Har

Meavenly Phenomena.

DENVER, Col., Feb. 15.—Last night thousands of people were on the streets witnessing some very unusual ; henomena in connection with the moon. When it aroso streaks of light reflected from the different sides. In a short time these streaks disappeared, when four lunar dogs followed by four beautiful lunar bows appeared, the latter on a line with the dogs; later the bows became simply a halo with the moon and dogs, situated nearly an equal distance apart on the circle. The halo soon contracted, becoming of the circle. About ten o'clock the balo disappeared and the dogs soon followed. The weathor is intensely cold.
